MEMORANDUM FOR: Chief, SSA/DDS

ATTENTION []

SUBJECT : Request for Payment of Full Per Diem after 90 Days

1. On 7 February 1964 SR Division dispatched Aleks KURGVEL a contract employee, to the [] on a TDY which it was envisioned would require something less than 90 days. Because of the nature of the operation to which KURGVEL was being assigned, neither Headquarters nor the Field could foresee whether KURGVEL would remain in Bangkok for the full 90 days or whether the TDY would end after 10 days. Accordingly, upon his arrival in Bangkok, KURGVEL was requested by [] to obtain temporary billeting in a local hotel (there did not then exist any facilities in Bangkok whereby a TDYer on extended TDY can obtain accommodations by the month for periods less than 3 months).

2. As matters developed, however, and in accordance with [] request, KURGVEL was obliged to prolong his stay beyond the 90 day period. He actually did not depart the [] until 11 June 1964. Moreover, [] continued to ask KURGVEL to prolong his stay by a week, then by two weeks (this to support an operation entirely unrelated to the purpose for which he had originally been dispatched), then again by another week, et cetera, all of which precluded KURGVEL from planning ahead or from making other arrangements. [] was unable to provide him with any suitable billeting facilities which would have reduced KURGVEL's outlay from his pocket for hotel accommodations.

3. It is therefore requested that KURGVEL be paid full per diem for the entire period of his TDY in Bangkok for the reasons indicated above and in order not to penalize an individual who had no alternative but to remain in temporary lodging in response to [] request to keep extending his TDY in Bangkok.

4. Attached herewith for your information is KURGVEL's Travel Authorization and Amendment #1, a statement dated 26 August 1964 from Subject accompanied with receipts from the "Nana" hotel and the "Teresa" Guest House located in Bangkok.
